Press Release

It is with deep sadness that we have witnessed the terrible tragedy of the senseless massacre of people in Paris. The perpetrators of this massacre are totally misguided. Their act has no humanly justifiable cause

Islamic Society of North America Canada (ISNA Canada) condemns this act of terrorism. No religious tradition can ever justify nor condone such ruthless and senseless acts of violence.

Our prayers go to out to all those who have died or have been injured in this tragedy, and we offer sympathies and condolences to those who have lost their loved ones.

The Islamic Society of North America's position on terrorism and extremism has been consistent with mainstream Islam as practiced by the overwhelming majority of Muslims in America and around the world.

Terrorism is the epitome of injustice because it targets innocent people.

It is sickening to see ISIS raise the banner of Islam. Islam prohibits terrorism
